## DATA & AUTHORSHIP POLICIES

We emailed a draft version of the data and authorship policies on July 21<sup>st</sup> and received some feedback! Please send any further feedback by August 31, 2017. After that date these two policies will be posted to the website.

## EXPERIMENT PROCESSING

Field Data Upload: We have received field data from six partners! **October 15<sup>th</sup>** will be the deadline to upload your field data to the FTP site to be a part of the 1<sup>st</sup> activities for this year!

EO Data Processing: We have pre-processed Sentinel 1, Landsat 8 and Radarsat-2 data for the countries who uploaded field data, including ortho-rectification and speckle filtering.

Field Data Preprocessing: We are reviewing the uploaded field data to be consistent across the Experiment and preparing the Training & Validation sets.

Stack preparation is now progress.

## COMMUNICATIONS

Use the FTP site to upload your field data if you haven't already. You will receive a Username and Password for the data sharing FTP site once you send in your participation form.

We had our first telephone call with JECAM Germany! From this conversation the Data & Authorship policies were developed. We will be contacting more partners in the coming weeks! If you would like to be contacted to talk about the Experiment please email Laura or Mehdi.

Remember to watch the website for the latest news and updates on the Experiment.
